RULES FOR COCKER SPANIEL FUTURITY STAKE**

The Futurity Stake is a showcase for the breeder's effort

BREEDERS OF ENTRIES for the Futurity MUST BE American Spaniel Club, Inc. ("ASC") members in good standing through all steps of the Futurity (have annual dues paid, no suspensions). Any suspension of a breeder or co-breeder by AKC and/or ASC shall automatically disqualify the breeder from participation in the Futurity, to include any nominations for bitches owned, co-owned or leased during the suspension and any puppies bred or co-bred during the suspension. This includes disqualifying any existing bitch nominations or puppy enrollments and also disallows any future bitch nominations or puppy enrollments during the suspension period. No puppy will be eligible for futurity enrollment from any litter which was bred or co-bred by a suspended member, regardless of ownership. Owners (if other than the breeder) of entries are not required to be ASC members.

Nominations and Enrollments shall be sent to the Futurity Chairman only on the forms issued by the ASC. You may photocopy the forms. The forms state the required payment and information. Incomplete forms will be returned. **Fees must be paid in U.S. Funds, (Checks drawn on U.S. Banks and U.S. Money Orders only). There will be no refunds. Checks on Foreign Banks for U.S. funds are not acceptable and if sent will be returned along with the Futurity Form.**

The steps which must be taken to Futurity nominate are as follows:

1. Bitch Nomination.

- a. The dam of the litter must be owned or leased by an ASC member(s).
- b. The dam must be properly nominated prior to whelping (between January 1 and June 30 inclusive for January and between July 1 and December 31 inclusive for July).
- c. Only puppies from nominated bitches, whelped after date of nomination, are eligible.
- d. The nomination envelope must bear a post office cancellation stamp with a date prior to the whelping date. **Postage Meter is not valid.** If the postmark is not legible or is missing, the date mailed will be considered to be 2 days prior to receipt.
- e. A fee of \$10 for each bitch nominated must accompany the form, in accordance with the instructions stated on the form. If the bitch's due date is such that she may whelp in either the January or July Futurity, you should nominate her for both.
- f. Both sire and dam must be at least 2 years old before the breeding takes place.
- g. Health testing must be done after the sire and dam reach age 2 and before the breeding takes place.
- h. Eye exams must be done on or after age 2 and annually thereafter. Exams must be done not more than 12 months prior to the breeding unless the sire/dam is more than eight years old, in which case a clear exam after the age of eight will be accepted.
- i. Documents which must accompany the nomination form:
 - photocopies of the individual registration certificates for both sire and dam.
 - photocopies of certification of clear eyes from a Board certified ophthalmologist or similar designation in the case of foreign entries for both sire and dam.
 - photocopies of OFA or PennHip certification for normal hips for both sire and dam or similar certification in the case of foreign entries for both sire and dam.

If sire and/or dam are listed in the ASC Health Registry, it is not necessary to forward copies of the registration certificate, eye or hip certification for that animal. If certification for either eyes or hips is not listed in the Health Registry, a copy of that certification must be sent.

If the bitch is leased, send photocopies of the AKC Registration and Lease Form filed with the AKC.

2. Puppy Enrollment.

- a. Enrollment of any puppies must be made on or before **November 1 for January** and **May 1 for July**.
- b. Enrollments must be made on the form issued by ASC and a payment of \$10 per puppy is required.
- c. The form will state the complete requirements, but generally, the name of the puppy, the name of the sire and dam, date of birth, sex, variety and individual AKC Registration Number must be given. Canadian-bred or Mexican-bred puppies may provide a Canadian or Mexican Registration Number, if an AKC number is not yet obtained.
